

About Us

Gray Manufacturing Industries, LLC (GMI) is a company focused on supplying goods and technical services to the transit industry. GMI provides technical consulting as well as new and over-hauled components to transit authorities and OEM's.

GMI was started in 2006. Our management team has over 60 years of experience in the rail transit industry and our staff has a combined total of more than 200 years of transit experience.

Key management consists of:

David A. Gray, President & CEO
Richard W. Head, Vice President Materials & CFO
Dennis P. Mullikin, Vice President of Operations
